## Company Profile

Founded in the 1950's Oztiryakiler is a family owned manufacturing company involved in the design, sale and service of industrial kitchen appliances and equipment. Oztiryakiler is the leader production company in Turkey for many years.

OZTI is our growing brand in the global platform. With a production of over 4000 different kinds of products, and exports to over 103 countries in 5 continents; Oztiryakiler is today an international

Please visit [www.oztiryakiler.com.tr](http://www.oztiryakiler.com.tr) for more information.

company. Founded in 1999 the coating division was acquired by Oztiryakiler in 2006. Since then Oztiryakiler has been supporting Oztiryakiler both financially and technologically. As a result, today we are able to offer our clients world class products. We have been servicing our clients both locally and globally with their needs in coating, design & manufacturing of their custom molds, and other pastry needs.
