carat

Timeless porcelain with an excellent profile

With its distinctive relief contours and prominently rounded handles, it is impossible to imagine the Bauscher range without the Carat collection. Because of its clean lines, unique relief, and impressive versatility, this extraordinary collection has persisted and served every dish with contagious gusto for decades. Design: Hans-Wilhelm Seitz, f984 (85)

THE PORCELAIN OF TOMORROW – SINCE 1881

Breakfast served on simple but elegant tableware tastes twice as good. Carat also provides a captivating showcase for food served at any other time of day. And courtesy of its animated design and excellent functionality, Carat makes a marvelous centerpiece for buffets.

Décor: Baccara. Further Carat décor options are featured in the décor and articles overview on pages 4–5.

A shining performance

A feature that sets *Carat* apart, besides its relief, is its diversity. This is shown in the collection's very wide range of items, and in the individual décor options. And even when it is not in use, *Carat* makes itself useful through saving space in stable stacks.

Décor Service

Porcelain shows its colors

Bauscher has always stood for design that sets standards in professional porcelain, not only in the shaping of any given article but also in its extraordinary colors. We take great pride in our Atelier. Day in and day out, the designers at our in-house studio create new, unmistakable décors in close coordination with our customers. Whether elegant colors, fine vignettes or vivid patterns – a décor is an important message in gastronomy that sets an establishment apart and underscores its personality.

Our special forte: custom-made designs

Our studio's portfolio encompasses a collection of more than 25,000 décors. Anyone who cannot decide from such a huge choice can simply have their own individual décor created. Our décor studio provides tailored solutions for every wish - classic logos or word marks as well as elaborate patterns and decorations on rims and mirrors. We remain at the customer's side throughout the production process, sharing our experience and creativity from the first draft to final delivery.

Accentuating with colors

The Bauscher décor studio offers the most diverse color and font options to customers seeking a tailored look. Countless brilliant colors and typefaces await – inspired design ideas are all it takes to bring them to life. Of course, we are also happy to use our customers' proprietary typefaces and color definitions. Our Atelier can accommodate almost every wish. Working with state-of-the-art technology, we apply all our skills and enthusiasm to create décors that inspire our customers and their guests.

Personality begins where comparison ends

With high-quality porcelain an establishment presents not only the kitchen's finesse to the guest, but also an important part of its personality. The significance of an individual décor is impossible to overestimate. It raises recognition value in the competitive hotel and gastronomy industries. It treats the guest to a coherent overall impression and demonstrates that quality is a top priority for the host. In times when guests can choose from the diverse gourmet offerings from all over the world, custom décor is decisive in making a good and lasting impression.
