come4table

A vivacious host

Come4Table is a lively, light-hearted invitation to come to the table. Generously dimensioned plates with a narrow profile at the edge add a touch of subtle elegance and the spirit of hospitality to gastronomy. Be it light regional cuisine or a festive evening banquet, with its atmospheric and inviting appeal, *Come4Table* always makes guests feel most welcome. Design: Atelier Bauscher by Brigitte Johannes, 2003

THE PORCELAIN OF TOMORROW – SINCE 1881

The varied *Come4Table* collection offers many different cups featuring the line's trademark curvaceous contours. This allows them to be well combined with pots and milk pitchers to form a harmonious ensemble to enrich every table.

For soup, never before so fine

The elegant sweep of this design is at its most striking in *Come4Table* bowls and matching tureens. *Come4Table*'s contours are equally inviting at a leisurely dinner or a long dinner table.

*Tiny delicacies and big treats may be
conjured from beneath large cloches
of varying sizes to magical effect.*

Décor Service

Porcelain shows its colors

Bauscher has always stood for design that sets standards in professional porcelain, not only in the shaping of any given article but also in its extraordinary colors. We take great pride in our Atelier. Day in and day out, the designers at our in-house studio create new, unmistakable décors in close coordination with our customers. Whether elegant colors, fine vignettes or vivid patterns – a décor is an important message in gastronomy that sets an establishment apart and underscores its personality.

Our special forte: custom-made designs

Our studio's portfolio encompasses a collection of more than 25,000 décors. Anyone who cannot decide from such a huge choice can simply have their own individual décor created. Our décor studio provides tailored solutions for every wish - classic logos or word marks as well as elaborate patterns and decorations on rims and mirrors. We remain at the customer's side throughout the production process, sharing our experience and creativity from the first draft to final delivery.

Accentuating with colors

The Bauscher décor studio offers the most diverse color and font options to customers seeking a tailored look. Countless brilliant colors and typefaces await – inspired design ideas are all it takes to bring them to life. Of course, we are also happy to use our customers' proprietary typefaces and color definitions. Our Atelier can accommodate almost every wish. Working with state-of-the-art technology, we apply all our skills and enthusiasm to create décors that inspire our customers and their guests.

Personality begins where comparison ends

With high-quality porcelain an establishment presents not only the kitchen's finesse to the guest, but also an important part of its personality. The significance of an individual décor is impossible to overestimate. It raises recognition value in the competitive hotel and gastronomy industries. It treats the guest to a coherent overall impression and demonstrates that quality is a top priority for the host. In times when guests can choose from the diverse gourmet offerings from all over the world, custom décor is decisive in making a good and lasting impression.
