WITH A PASSION FOR COFFEE

Crem International has two very strong brands – Coffee Queen and Expobar. Under the brand Coffee Queen, we have brought together all our machines for freshly brewed and instant coffee, water and juice. Under the brand Expobar, we offer our top-quality espresso machines. All our machines are made by skilful and experienced staff at our own factories in Sweden, Spain and China. With these two brands, we offer the widest range on the market and can satisfy all needs and wishes.

MONROC

Monroc is an efficient espresso machine that fulfils all demands for a nice espresso in a simple and easy way. The user-friendly functions of the machine are based on well-tried technology and by skilful and professional craftsmen. This means that Monroc is a reliable and solid machine that you can really trust, every day – year after year.

Monroc is very suitable for smaller cafés and restaurants where you wish to serve espresso, cappuccino, caffè latte or other espresso based drinks.

FEATURES

Monroc is a two-group espresso machine with automatic water filling and a steam tank with a 11.5 litre capacity. Monroc has an electronic cup dosage in order to easily be able to pre-programme the required amount of water for various cup sizes.
